Dear Mr. Keel:

Re: Proposed "Del Aire Annexation
No. 2" to the City of Hawthorne

At the meeting held on January 11, 1961, the County Boundary Commission reviewed the boundary description and map submitted by Robert S. Griffing, 4922 West 119th Place, Hawthorne, with his letter of December 22, 1960, of the proposed annexation of territory to the City of Hawthorne.

The boundaries submitted do not create corridors of unincorporated territory and conform with record lines and existing city boundaries. This annexation consists of a portion of an existing island of unincorporated territory.

Upon recommendation of the County Engineer, revisions were made in the boundary description to provide the definiteness and certainty intended under the provisions of Section 35002 of the Government Code.

With these revisions, the County Boundary Commission approved the boundaries of the above proposed annexation. A copy of the approved revised legal description and a list of special districts involved are enclosed for your use.

Very truly yours,
